vs.	:	
	:	
CO-OP MINING COMPANY,	:	
	:	Docket No. 84-040
Respondent.	:	Cause No. ACT/015/025

-----oo0oo-----

This cause came on for hearing before the Board on June 28, 1984 and, based upon representations by the parties, a motion was made for continuance of the matter until the July 26, 1984 Board hearing.

Such representations are as follows:

1. All evidence and all defenses are reserved to both Petitioner and Respondent.
2. Respondent represents that its application for a permit to operate a coal mine at the Bear

Creek Canyon Mine is complete and complies with the rules and regulations and statutory authority as of June 28, 1984.

3. The three witnesses subpoenaed by Respondent, Lee Wimmer of Horrocks Engineering, Larry Dalton of the Utah Division of Wildlife Resources and Bruce Kaliser of the Utah Geological and Mineral Survey, are under a continuing subpoena and are required to be present at the July 26, 1984 hearing of the Board.

The Board hereby accepts the above representations and grants the continuance of this matter until the July 26, 1984 hearing of the Board subject, however, to the understanding that the Board reserves the right to look into any and all issues raised by the pleadings filed and evidence submitted, whether or not a determination is made that the application is complete.

It is so ordered,

DATED this 26th day of July, 1984.

GREGORY P. WILLIAMS, Chairman
Board of Oil, Gas and Mining
